The Tour

Find out how our crews and lifeguards are trained with a behind the scenes 90 minute tour of the RNL College. Conducted by our dedicated volunteer tour guides.

During your 90 minute guided tour, you will be given the chance to explore the RNL College and its training facilities, including our world-class Sea Survival centre, which hosts the wave tank and Lifeboat simulator.

The Lunch

A Carvery Lunch will be served at 12.30pm in the Harbour View Suite with a choice of two meats, vegetables and trimmings. Followed by dessert and tea/coffee

Car parking

Due to crew training parking is not available on-site. However, local pay and display are within walking distance to the College.

A working venue

Please note that the RNL College is a working venue and so we cannot guarantee access to the wave tank or simulator due to training requirements.

Accessibility

The building is accessible to wheelchair users and lifts are available to access the upper floors. The tour requires all visitors to be able to stand/walk for 90 minutes although, if, at any time your guests need to rest then, please, bring this to the attention of your tour guide.

On the day

Please arrive at least 10 minutes prior to your tour start time and inform reception of your arrival. The tour will commence from the main College reception at the designated time.
