

Robert SYMS

Conservative Candidate for Poole

We need a General election now to secure the strong and stable leadership the country needs to see us through Brexit and beyond.

A General Election now will strengthen our negotiating hand in Europe. It is the only way to ensure we have strong leadership, certainty and stability for a full five years, not just up to the point at which we leave the European Union but beyond it too.

Only Theresa May has the plan and the proven leadership to deliver the right deal for Britain abroad and a better deal for ordinary, working people here at home.

Theresa May and the Conservatives will:

- ▶ Establish Britain as the strongest country in Europe, in economic growth and national security.
- ▶ Build a stronger economy that rewards people who work hard and creates secure and well paid jobs.
- ▶ Provide real opportunity for all.
- ▶ Build a more secure and united nation.

Robert Syms has been unanimously readopted at a general meeting of Poole Conservatives to stand as the Parliamentary candidate for Poole.

"It is a great privilege to be standing again in Poole as the Conservative candidate. This is a vital election and there are big issues at stake, which is why I'm fully confident in our Prime Minister Theresa May."

– Robert Syms

Robert has been the MP for Poole since 1997 and his diligent constituency work during the interim years has made him a very popular candidate.
