Canvassing Updates 2018

 **Conservatives**

**Introduction from
Craig Allison
Deputy Chairman
Political**

I would like to take this opportunity to place on record my thanks to Viv for the energetic and dynamic way she held the position of Deputy Chair (Political) over recent times and her guidance.

In being asked to fill the role on an interim basis in the run up to next year's local elections, I am aware that I have a tough act to follow.

I am extremely grateful to those who have turned out in all weather over the past two weekends to help us in our key defensive wards of Poole Town and Hamworthy.

Labour are targeting these Wards and we need to put in effort to ensure we defend and hopefully gain seats.

Poole Conservatives held our Annual Dinner with Simon Hoare MP for North Dorset last Friday evening at the RNLI which was a great success.

Sir Robert and Simon Hoare MP took many questions.

POOLE CONSERVATIVES - YouTube Account

We have now created the Poole Conservatives YouTube Account which we will be loading up with positive messages and video clips in the run up to the local elections and on an ongoing basis to counter the negative messaging from our opponents.

We have loaded up the first video that myself, Tom and Andy created on Saturday and was sent out on Twitter yesterday morning after delivering in Hamworthy and talking with local businesses who were sympathetic to us in Poole Town.

RECENT CANVASSING –

A huge thank you to the fourteen of you who showed up in Poole Town and Hamworthy to deliver our pledge letters and a big thank you to Mike White and Tom for the superb organisation.

Personally it gave me chance to get to know the wards a little better and hear the views on the doorstep.

We will be delivering in another Labour target ward of Newtown on Saturday the 24th and would welcome any help you may be able to give us in delivering our InTouch newsletters for a couple of hours on Saturday morning.

We are facing a tough fight against Labour and PPP in the run up to next years local elections in May and my focus will be on improving our messaging and the format of our traditional InTouch newsletter together with utilising social media in a more strategic and coherent way.

We can often lose sight amongst the constant onslaught from our opposition, of the success stories that Poole Conservatives at the local level can be rightly proud.

We should have pride in our achievements and confidence in our vision for the future.

The Poole Conservative Association is fortunate to have motivated and dedicated members, volunteers, councillors, officers, patrons and our MP who give their time in the Conservative cause and we are fortunate to have you all.

Craig Allison

In Hamworthy as Tom, Andy, Mohan and I made our way back to the Church car park, we popped into the Church Hall which was holding a Tea and Cake morning. There were some useful contacts made with local residents by Tom, Andy and Mohan which we will be pursuing in the run up to Christmas.

Once again a massive thank you all who turned up and if anyone is able to join Tom, Malcolm and the whole team in Newtown next Saturday 24th November, at 10am at Newtown Conservative Club it will be greatly appreciated. Your support is vital to us achieving success next May.
