

Poole Conservatives

Winter 2018

Introduction from Tom Lintern-Mole

Deputy Chairman, Membership

The long summer months have been a busy time for Poole Conservatives and the national Party.

Whilst Brexit negotiations continue apace, we're thrilled to report substantial growth in our local membership numbers.

Plans for the new council, Bournemouth, Christchurch and Poole, have firmed up, and next May's elections to it will soon be upon us.

In this newsletter we feature upcoming events and our latest appeals for help.

Thank you, as ever, for all you do to support Poole Conservatives.

Deliverers in Blocks of Flats

Do you live in a block of flats? Do you know someone who lives in a block and might help us?

We often struggle to deliver our leaflets to blocks across the constituency, and would be very grateful for your occasional help.

Email kay@pooleconservatives.org if you can help

We also hope to repeat our successful Christmas Street Stall in Poole Town in December.

POSTAL AND PROXY VOTES:

Will you be away in May 2019? - Ask for a proxy vote. If you find it more convenient, ask for a Postal Vote. Kay can offer advice with either of these options.
