

CABINET CLUB

INVITATION TO JOIN

The Cabinet Club offers regular social meetings with your Member of Parliament, Robert Syms, along with like-minded current and former business men and women from the Poole area. The club provides a convivial forum for Robert to give an always insightful report on current business and more general economic developments in Westminster and the wider world.

The Cabinet Club gives participants an opportunity to inform and engage Robert on national and local issues they would like him to take up in Westminster. These might be matters that affect them or their businesses and may include concerns over areas of Government policy.

The Cabinet Club meets four times a year over breakfast in a local hotel. Meetings commence at 7.45 am and usually close at 9.00 am, although informal conversations often continue for longer.

The annual subscription is £125 per person. This includes breakfasts and full membership of the Conservative Party.

For more information and an application form, please call Kay Bachman on 01202 739922 or send an email to kay@pooleconservatives.org
